

INDIAN SOCIETY OF CHEMISTS & BIOLOGISTS

GLIMPSE OF ISCB CONFERENCES

Message

Prof. Anamik Shah

Dr. P.M.S. Chauhan

Despite the existence of several scientific societies with narrowly defined objectives, there was a need to establish a multidisciplinary forum where the scientific community could share knowledge and expertise for mutual benefit and build strong professional networks. The Indian Society of Chemists and Biologists (ISCB) was established in 1995 at CDRI, Lucknow to promote interdisciplinary research in the fields of chemistry and biology. Since its inception, ISCB has consistently encouraged interdisciplinary research activities. The Society is unique in catering to the needs of both chemists and biologists engaged in multidisciplinary research. During the past three decades, the Society has successfully achieved its objectives. Currently, ISCB has approximately 1,800 members drawn from academia, government and industry, with research interests spanning a broad spectrum of science and technology.

Six Zonal Secretaries coordinate activities at the national level, while the Central Secretariat is based at Lucknow. Besides organizing national and international conferences, ISCB conducts lectures highlighting cutting-edge developments in chemical and life sciences and emphasizing interdisciplinary research. The Society has instituted the **ISCB Award for Excellence**, **ISCB Young Scientist Award**, **ISCB Distinguished Women Scientist Award**, **Best Teacher Award**, and **Industry Appreciation Award**.

Indian Society of Chemists and Biologists has established the peer-reviewed, open access, online bimonthly journal **Chemistry & Biology Interface** to commemorate the 2011 International Year of Chemistry and the centenary of the Nobel Prize in Chemistry awarded to Madame Marie Curie. **Chemistry & Biology Interface** is the official journal of ISCB and also publishes conference proceedings.

The past **32 ISCB International Conferences** have been organized across almost all regions of India. Collectively, these conferences have attracted approximately **32,000 delegates**. Distinguished speakers have included **Prof. Robert H. Grubbs**, Nobel Laureate (California Institute of Technology, USA), who delivered a keynote lecture on olefin metathesis; **Prof. Nancy B. Jackson** (President, ACS), **Prof. David St C. Black** (Secretary General, IUPAC), **Dr. Nicole Moreau** (President, IUPAC), and many eminent scientists from the USA, UK, France, Germany, Switzerland, Canada, Greece, Austria, Belgium, Sweden, Japan, Taiwan, Korea, Iran and Egypt.

ISCB conferences have also been graced by eminent dignitaries including **His Excellency Shri Arif Mohammad Khan**, Governor of Bihar (ISCB-2025); **Her Excellency Smt. Kamla**, Governor of Gujarat (ISCB-2011); **Shri Sushil Kumar Shinde**, Union Minister of Home Affairs (ISCB-2012); **His Excellency Shri Janaki Ballabh Patnaik**, Governor of Assam; **Shri Tarun Gogoi**, Chief Minister of Assam; **Prof. R. A. Mashelkar, FRS**, former DG, CSIR; **Dr. T. Ramasami**, Secretary, DST, Government of India; and **Prof. Goverdhan Mehta, FRS**, among many others. On behalf of ISCB, we are pleased to present glimpses of its **32 International Conferences** and look forward to your active participation.

(Prof. Anamik Shah)
President, ISCB

Ex-Vice Chancellor, Gujarat Vidyapeeth

(Dr. P.M.S. Chauhan)
General Secretary, ISCB

Ex-Chief Scientist and Professor (AcSIR), CDRI, Lucknow

About ISCB

As the Indian Society of Chemists & Biologists (ISCB) enters its 31st year, we take pride in reflecting on its remarkable journey and sustained growth. Today, the Society has over 700 members from academia, research institutions, and industry, representing diverse scientific disciplines and technological fields across India. Its activities are coordinated through six zonal secretaries, while the Central Secretariat is headquartered in Lucknow.

Over the years, ISCB has successfully organized **32 National and International Conferences**, providing a vibrant platform for scientists, researchers, academicians, and industry professionals to exchange ideas and foster interdisciplinary collaborations.

The inaugural and second National Conferences were held at the Central Drug Research Institute (CDRI), Lucknow, on the themes "*Chemistry, Biology and Health Care*" and "*Chemistry, Biology and Herbal Medicine*," respectively. The third conference was hosted by the College of Pharmaceutical Sciences, Manipal, Karnataka, while the fourth returned to CDRI, Lucknow, with the theme "*Drug Research Scenario of the 21st Century*." The fifth conference was organized at Holiday Inn, Agra, followed by the sixth conference in association with Alembic Ltd., Vadodara, Gujarat, on "*Structure-Based Drug Design: Search for New Drugs*."

In 2003, ISCB organized its seventh National Conference in collaboration with Agra University, Agra. The eighth conference, "*Chemistry-Biology: Path to Drug Discovery*," was held at CDRI, Lucknow.

The ninth International Conference was organized at Rajkot, Gujarat, in January 2005 and attracted nearly 700 delegates from India and abroad, including participants from Europe, the United States, Taiwan, Russia, Canada, and Egypt. The tenth International Conference was held at CDRI, Lucknow, with around 500 delegates representing countries such as Canada, the United States, Taiwan, Russia, Switzerland, Austria, the United Kingdom, Iran, and Egypt.

The eleventh International Conference on "*Advances in Drug Discovery Research*" was organized at Dr. Babasaheb Ambedkar Marathwada University (BAMU), Aurangabad, in February 2007, attracting nearly 600 delegates from across the globe. The twelfth International Conference on "*Interface of Chemistry-Biology in Biomedical Research*" was held at BITS Pilani in February 2008, with participation from approximately 550 delegates.

The thirteenth International Conference on "*Interplay of Chemical and Biological Sciences: Impact on Health and Environment*" was held at the University of Delhi in 2009. The fourteenth International Conference, "*Chemical Biology for Discovery: Perspectives and Challenges*," was organized at CDRI, Lucknow, in 2010, featuring Nobel Laureate Prof. Robert H. Grubbs and other eminent scientists from around the world.

To commemorate the International Year of Chemistry (2011), ISCB organized two major international conferences. The fifteenth conference, "*Bridging Gaps in Discovery and Development: Chemical and Biological Sciences for Affordable Health, Wellness and Sustainability*," was held at Rajkot in association with Saurashtra University. The sixteenth conference, "*Chemistry for Mankind: Innovative Ideas in Life Sciences*," was organized at Nagpur in collaboration with Nagpur University and other academic institutions.

Subsequently, ISCB organized the following conferences across premier institutions in India:

- **17th (2012):** Solapur University, Solapur – "*Expanding Horizons in Chemical and Biological Sciences: Innovations Crossroads*"
- **18th (2012):** IASST, Guwahati – "*Perspective and Challenges in Chemical and Biological Sciences: Innovations Crossroads*"
- **19th (2013):** Mohanlal Sukhadia University, Udaipur – "*Recent Advances and Current Trends in Chemical and Biological Sciences*"
- **20th (2014):** University of Delhi, Delhi – "*Chemistry and Medicinal Plants in Translational Medicine for Healthcare*"

About ISCB

- **21st (2015):** Central Drug Research Institute (CDRI), Lucknow – *"Current Trends in Drug Discovery and Developments"*
- **22nd (2016):** Uka Tarsadia University, Surat – *"Recent Trends in Affordable and Sustainable Drug Discovery and Developments"*
- **23rd (2017):** SRM University, Chennai – *"Interface of Chemical Biology in Drug Research"*
- **24th (2018):** Manipal University Jaipur, Jaipur – *"Frontier Research in Chemistry & Biology Interface"*
- **25th (2019):** Hotel Golden Tulip, Lucknow – *"Trends in Chemical and Biological Sciences: Impact on Health and Environment"*
- **26th (2020):** Nirma University, Ahmedabad – *"Integrating Chemical, Biological and Pharmaceutical Sciences for Innovations in Healthcare"*
- **27th (2022):** Birla Institute of Technology, Mesra, Ranchi – *"Research and Innovation in Chemical, Pharmaceutical and Biological Sciences"*
- **28th (2024):** Marwadi University, Rajkot – *"Recent Advances in Biological, Chemical, and Pharmaceutical Sciences for Innovation in Healthcare"*
- **29th (2024):** Junagadh, Gujarat – *"Paradigm Shift Towards Sustainable Growth in Chemical and Biological Sciences"*
- **30th (2025):** University of Lucknow, Lucknow – *"Current Trends in Chemical, Biological and Pharmaceutical Sciences: Impact on Health and Environment"*
- **31st (2025):** Kalinga Institute of Industrial Technology (KIIT), Bhubaneswar – *"Innovations in Interdisciplinary Areas of Sciences Towards Global Health and Sustainability"*
- **32nd (2026):** Indian Institute of Technology (IIT BHU), Varanasi – *"Sustainable Advances in Chemical and Biological Science"*

In addition to its conferences, ISCB has instituted several prestigious honours, including the **ISCB Award for Excellence**, **ISCB Young Scientist Award**, **ISCB Distinguished Women Scientist Award**, **ISCB Lifetime Achievement Award**, **ISCB Excellence Award for Academic Leadership**, and the **ISCB Award of Appreciation for Industry Scientists**, recognizing outstanding contributions to chemical sciences, biological sciences, pharmaceutical sciences, and interdisciplinary research.

Beyond its conferences, ISCB regularly organizes distinguished lectures and scientific interactions featuring renowned experts from India and abroad. These programmes highlight cutting-edge advances in chemical, biological, pharmaceutical, and interdisciplinary sciences while fostering collaboration, innovation, and knowledge exchange among researchers.

32nd International Conference of ISCB

12-14 May, 2026
IIT BHU, Varanasi, India

“Sustainable Advances in Chemical and Biological Science”

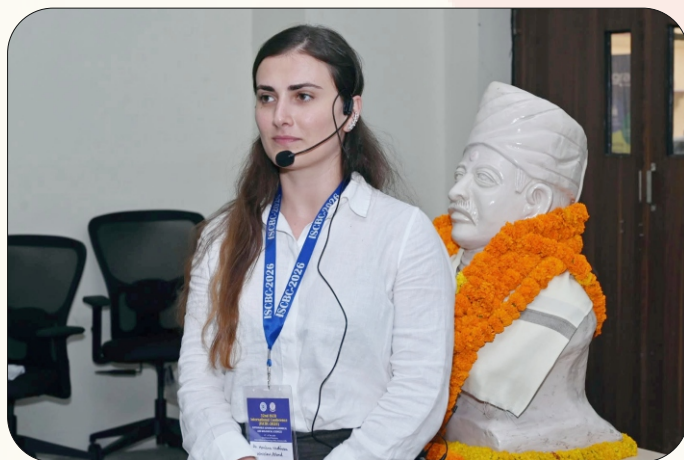

Inaugural Session at the 32nd ISCB Conference

Prof. Anil Kumar Singh at the 32nd ISCB Conference

Prof. Amit Patra, Director of IIT(BHU), Varanasi at the 32nd ISCB Conference

Distinguish Foreign Speaker at the 32nd ISCB Conference

Participants at the 32nd ISCB Conference

Exhibition at the 32nd ISCB Conference

31st International Conference of ISCB 19-21 December, 2025 KIIT, Bhubaneswar, Odisha, India

“Innovations in Interdisciplinary Areas of Sciences Towards Global Health and Sustainability”

ISCB Excellence in Academic Leadership Award to Prof. (Dr.) Saranjit Singh, Vice Chancellor, KIIT

Prof. Bhalchandra Mahadeo Bhanage, Vice-Chancellor, The Maharaja Sayajirao University of Baroda

Scientific Session at the 31st ISCB Conference

Poster Session at the 31st ISCB Conference

Valedictory Session of the 31st ISCB Conference

Participants' Group Photo Session of the 31st ISCB Conference

30th International Conference of ISCB
27-29 January, 2025
University of Lucknow, Lucknow, India

“Current Trends in Chemical, Biological and Pharmaceutical Sciences: Impact on Health and Environment”

Inaugural Session at the 30th ISCB Conference

Distinguish Speaker at the 30th ISCB Conference

Distinguish Speaker at the 30th ISCB Conference

Distinguish Speaker at the 30th ISCB Conference

Shri Arif Mohammed Khan, Hon'ble Governor of Bihar at the Valedictory Session of the 30th ISCB Conference

Shri Arif Mohammed Khan, Hon'ble Governor of Bihar at the Valedictory Session of the 30th ISCB Conference

29th International Conference of ISCB

11-12 January, 2024
Vishal Lords Inn Gir Forest, Gujarat, India

“Paradigm Shift towards Sustainable Growth in Chemical and Biological Sciences”

Inaugural Session at the 29th ISCB Conference

Distinguish Guest at the 29th ISCB Conference

Distinguish Speaker at the 29th ISCB Conference

Distinguish Speaker at the 29th ISCB Conference

Poster Session at the 29th ISCB Conference

Cultural performance at the 29th ISCB Conference

28th International Conference of ISCB
8-10 January, 2024
Marwadi University, Rajkot, India

“Recent Advances in Biological, Chemical, and Pharmaceutical Sciences for Innovation in Healthcare”

Inaugural Session at the 28th ISCB Conference

Distinguished Speaker at the 28th ISCB Conference

Distinguished Speaker at the 28th ISCB Conference

Distinguished Speaker at the 28th ISCB Conference

Delegates at the 28th ISCB Conference

Cultural performance by the international students of Marwadi University at the 28th ISCB Conference

27th International Conference of ISCB

16-19 November, 2022
BIT Mesra, Ranchi, India

“Research and Innovation in Chemical, Pharmaceutical and Biological Sciences”

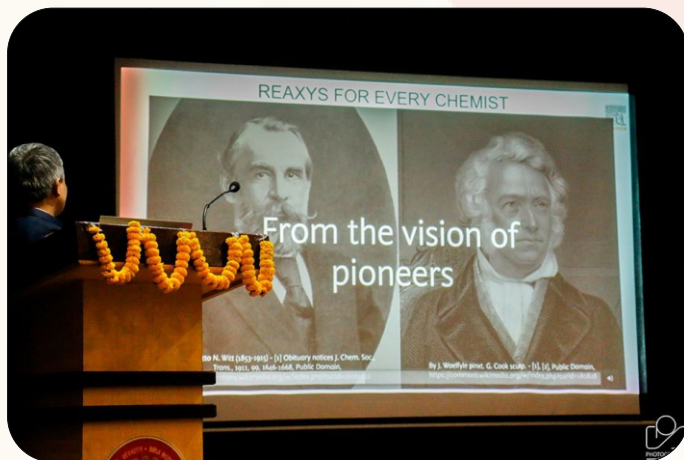

Delegates during the Scientific Session at the 27th ISCB Conference

Distinguish Guests at the 27th ISCB Conference

Distinguish Guests at the 27th ISCB Conference

Scientific Session at the 27th ISCB Conference

Scientific Session at the 27th ISCB Conference

Scientific Session at the 27th ISCB Conference

26th International Conference of ISCB
22-24 January, 2020
Nirma University Ahmedabad, India

**“Integrating Chemical Biological and Pharmaceutical Sciences
for Innovation in Health Care”**

Scientific Session at the 26th ISCB Conference

Scientific Session at the 26th ISCB Conference

Scientific Session at the 26th ISCB Conference

Scientific Session at the 26th ISCB Conference

Scientific Session at the 26th ISCB Conference

Delegates during the Scientific Session at the 26th ISCB Conference

25th International Conference of ISCB 12-14 January, 2019 Hotel Golden Tulip, Lucknow

“Trend in Chemical and Biological Sciences Impact on Health and Environment”

Winners of ISCB Awards at the 25th ISCB Conference

Scientific Session at the 25th ISCB Conference

Scientific Session at the 25th ISCB Conference

Scientific Session at the 25th ISCB Conference

Delegates during the Scientific Session at the 25th ISCB Conference

Cultural Evening at the 25th ISCB Conference

ISCB Seminar 23 June, 2018 Hotel Golden Tulip, Lucknow

“Role of Chemistry & Biology Interface in Drug Research”

Shri Sharad Tripathi, Hon'ble Member of Parliament, Lok Sabha inaugurating the seminar

Dr. P.M.S. Chauhan, General Secretary, ISCB felicitating Shri Sharad Tripathi, Hon'ble Member of Parliament, Lok Sabha

Shri Sharad Tripathi, Prof. G.C. Saxena, Prof. Anamik Shah, Prof. Anil K. Singh, Prof. Pratap Singh Chauhan and Dr. P.M.S. Chauhan launching the issue of Chemistry & Biology Interface Journal

Prof. G. C. Saxena, Former Vice Chancellor, Agra & Awadh University delivering a lecture

Prof. Anil K. Singh, Former Vice Chancellor, Allahabad University delivering a lecture

Prof. Pratap Singh Chauhan, Vice Chancellor, Saurashtra University delivering a lecture

24th International Conference of ISCB

11-13 January, 2018
Manipal University, Jaipur

“Frontier Research in Chemistry & Biology Interface”

Prof. Anamik Shah, Prof. M.M. Sharma, Prof. Sandeep Sancheti and Dr. P.M.S. Chauhan at the inaugural session of ISCB-2018

Prof. M.M. Sharma, ICT Mumbai speaking at the inaugural session of ISCB-2018

Prof. Victor Kartsev from InterBioScreen, Russia delivering lecture at ISCB-2018

Prof. Sun CHOI from Ewha Womans University, Seoul, Korea delivering a lecture at ISCB-2018

Mr. Khemraj Chaudhary, IAS, Govt. of Rajasthan at Valedictory session

Eminent speakers from India, France, Korea, Russia, Greece, Italy, USA and Poland and other countries at ISCB-2018

23rd International Conference of ISCB 8-10 February, 2017 SRM University, Chennai

“Interface of Chemical Biology in Drug Research”

Dr. T. R. Paari Vendhar, Prof. Mike Threadgill, Prof. Anamik Shah and Dr. P.M.S. Chauhan inaugurating the ISCB-2017

Dr. T. R. Paari Vendhar felicitating Prof. Mike Threadgill at the ISCB-2017

Prof. Erik V. Van der Eycken from University of Leuven (KU Leuven), Belgium delivering lecture at ISCB-2017

Dr. P.M.S. Chauhan, General Secretary, ISCB delivering a lecture at ISCB-2017

Dr. K. S. Lakshmi, Dean, SRM College of Pharmacy, Prof. Anil Singh, IIT Mumbai and Dr. Keshav Deo at Valedictory session

Approx 3000 delegates participated in inaugural function of ISCB-2017 at SRM University

22nd International Conference of ISCB

6-8 February, 2016
Uka Tarsadia University
Surat

“Recent Trends in Affordable and Sustainable Drug Discovery and Developments”

Jyoti Chattopadhyaya, Dr. K.C. Desai Director, Chemistry Department, Uka Tarsadia University

Padma Vibhushan Prof. M. M. Sharma delivering the Keynote lecture at valedictory session.

Dignitaries at the inaugural function of ISCBC-2016

Spiritual Lecture by Swamiji at Sankri Swami Narayana Temple

“Transcendence” the book written by Dr. APJ Abdul Kalam on Pramukh Swamiji at Sankri Swami Narayana Temple

Group photograph of delegates at ISCBC-2016

21st International Conference of ISCB
25-28 February, 2015
Central Drug Research Institute
Lucknow

“Current Trends in Drug Discovery and Developments”

Jyoti Chattopadhyaya, Dr. Ram Vishwakarma, Director, IIIM, Jammu,
Prof. Victor Kartsev, Russia

Rui Moreira, Spinelli, Prof. Anamik Shah, Prof. Anil Singh, Dr. A. P.
Bhaduri

Rui Moreira, Prof. Anamik Shah, Dr. PMS Chauhan at ISCB
Conference
